SPECIFICATION

Tender specification: Chameleon Glassboard Starter Kit

SHORT TEXT

Accessory set for glassboards: transparent acrylic tray, 3 black board markers, 8 glassboard magnets, glassboard cleaning spray, magnetic microfibre cloth and spare wiping pad

LONG TEXT

Supply of the accessory set Chameleon Glassboard Starter Kit (or equivalent) for Chameleon glassboards. All components are matched to glass writing surfaces. The set contains a tray made of transparent acrylic, three glassboard markers, eight powerful glassboard magnets, a cleaning spray for glass writing surfaces, a magnetic microfibre cloth and an additional microfibre wiping pad.

01 Scope of delivery

Contents of the kit with quantities

QUANTITY	COMPONENT	DESCRIPTION
1	Transparent acrylic tray	Tray made of transparent acrylic for neat storage of markers and cleaning accessories.
3	Black board markers	Glassboard markers developed for glass writing surfaces with good visibility, dry and residue free to wipe off. Line width 2 to 3 mm.
8	Glassboard magnets	Powerful magnets developed for use on glassboards, for attaching documents, notes and plans.
1	Glassboard cleaning spray	Developed for glass writing surfaces, removes marker residue with ease.
1	Magnetic microfibre cloth	For daily cleaning of the glassboard, leaves a clean and streak free writing surface.
1	Spare wiping pad	Additional microfibre wiping pad for the wiper block.

02 Material and dimensions

Tray	Transparent acrylic
Magnets	8 glassboard magnets; because of the glass thickness, standard magnets are not suitable for glassboards
Markers	Glassboard markers, line width 2 to 3 mm
Suitable for	Chameleon glassboards (glass writing surfaces)

03 Article, weight and packaging

Article number	14017.162
Gross weight	0.7 kg
Net weight	0.6 kg
Packaging	Cardboard box, 1 collo, 32.5 x 23 x 6 cm (W x D x H)

Weights in kg, gross and net, as stated in the manufacturer's data sheet.

04 Fixing and use

Magnets	The glassboard magnets hold documents, notes and plans securely on the glass writing surface
Storage	Markers and cleaning accessories have a fixed place in the acrylic tray

05 Execution

Delivered as a complete set in a cardboard box (1 collo). All components are intended for use on glass writing surfaces.

MANUFACTURER

Smit Visual B.V., Chameleon Writing, Spaarpot 120-122, 5667 KZ Geldrop (NL), or equivalent.
