SPECIFICATION

Tender specification: Chameleon Whiteboard Starter Kit

SHORT TEXT

Accessory set for ceramic steel whiteboards: 3 black board markers with magnetic clip, 10 black cylindrical magnets, cleaning spray and magnetic microfibre cloth

LONG TEXT

Supply of the accessory set Chameleon Whiteboard Starter Kit (or equivalent) for Chameleon whiteboards. The set contains the essential tools for daily use: three board markers in a matte black finish with a magnetic clip, ten black cylindrical magnets, a cleaning spray for ceramic steel writing surfaces and a magnetic microfibre cloth. All accessories are matte black to match the look of Chameleon whiteboards.

01 Scope of delivery

Contents of the kit with quantities

QUANTITY	COMPONENT	DESCRIPTION
3	Black board markers	High-quality whiteboard markers in a matte black finish, each with a magnetic clip for attaching to the ceramic steel surface. Line width 2 to 3 mm.
10	Black cylindrical magnets	For attaching documents, notes and task cards.
1	Cleaning spray	Developed for ceramic steel writing surfaces, for regular cleaning and care.
1	Magnetic microfibre cloth	Black microfibre cloth for regular care of the writing surface; together with the cleaning spray it also removes more stubborn marker residue.
